

## Reporting flooding

If there is a risk to life or a risk of serious property or environmental damage from flooding call 999 for immediate assistance.

Cotswold District Council provides information on [what to do in case of a flood](#), from writing a flood plan, how to build a sand bag wall to what to do if a gully overflows and how to clean up your home afterwards afterwards. You can also register for flood alerts direct to your phone through the [Environment Agency Floodline](#) or call 0345 988 1188.

Public Health England also provides [advice on flood precautions](#) and what to do if there is a flood.
