## Minutes of Temple Guiting Parish Council Quarry Stakeholders Meeting Working Party

8. **TGPC comment on quarry planning applications.** Clerk reported that comments on Oathill and Naunton quarries have been submitted and acknowledged by GCC Minerals Planning. No comments have been submitted for the application for an extension at Grange Hill as it is outside the parish and will continue to produce small quantities of almost exclusively Cotswold building stone and some tiles. Cllr Gower reported that the Cotswold Hill appeal contained information which would be useful to members' understanding of the minerals planning operations at GCC.
9. **GCC Transport Plan.** Draft response was reviewed by TGPC councillors and approved by email. The response, which focuses on the lack of traffic data and understanding of the issues in the North Cotswolds and the possibility of an HGV Managed Zone, has now been submitted to GCC.

There being no further business the Chairman closed the meeting at 4:30 p.m.

**Next meeting.** Meetings are called primarily to prepare for Quarry Stakeholder meetings as organised by Cotswold Conservation Board. As such, they are ad hoc and at times and dates when a quorum of Working Party members is available.
