

## Could you save a life?

Temple Guiting Parish has two defibrillators, one on the wall at Temple Guiting Village Hall and one on the side of the Half Way House pub in Kineton. They can be used to save lives but would you know what to do?

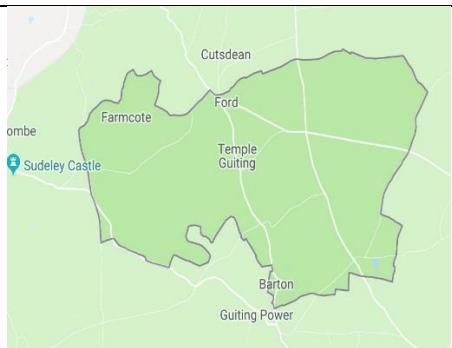

Come to FREE defibrillator training provided by the Community Heartbeat Trust on 19 June at 7 p.m. in the village hall and find out how you could help someone in a critical condition.

## Road closures along the B4077 between Ford Pitch and Stow

Gloucestershire Highways will be closing the B4077 between 7 a.m. and 7 p.m. except weekends from 12<sup>th</sup> to 20<sup>th</sup> June for surface repairs. The closures will start from the Stow end and be implemented in phases along the road as work progresses. As yet we do not have details of the actual diversions, but the standard approach is to divert traffic onto A or B roads.

## Fresh faces ...

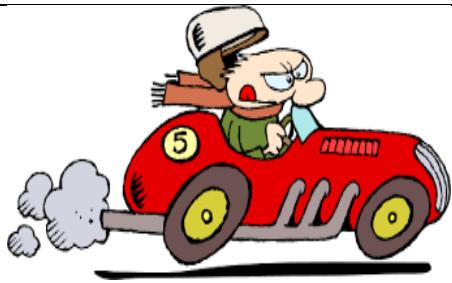

At the recent local elections one of Temple Guiting's councillors decided to stand down and allow a fresh candidate to stand. A new councillor is now needed. Anyone interested in representing the local community and improving services and quality of life for all residents in the parish is welcome to apply. Just email [templeguitingparishcouncil@yahoo.co.uk](mailto:templeguitingparishcouncil@yahoo.co.uk) to register your interest. Candidates must:

- \* be an elector of the parish; or
- \* in the past 12 months have occupied (as owner or tenant) land or other premises in the parish; or
- \* work in the parish (as your principal or only place of work); or
- \* live within three miles of the parish boundary.

## Speedwatch

We all know that speeding can be a problem in the parish. To remind drivers that they should keep below the speed limit, a team of volunteers spares a couple of hours to stand at the roadside using a speed gun. The police are notified of the results but the presence of the Speedwatch team is enough to slow vehicles down and make them take note of their speed. More volunteers are needed. If you could spare a couple of hours please contact [TGPC](#).

## Fly tipping and litter

Gloucestershire Police have identified common sites for fly tipping. Temple Guiting is relatively free but if you see any fly tipping please report it on CDC's 'Report it' [website](#).

In September TGPC will be organising a big litter pick, when the verge-side vegetation dies back to reveal the cans, packets and wrapping left behind. The date will be announced nearer the time. Please contact [TGPC](#) if you are interested in lending a hand.
