**NB.** Each 'Incident' represents a contact report made to the Police via email, 101, 999, <https://www.gloucestershire.police.uk/contact-us/report-a-crime-or-incident/> , F2F with an officer, or at Stow on the Wold Police Station Reception. This being the case, it may be that a single event generates a number of incidents. An example of this could be a single vehicle losing control and damaging a number of properties which could result in a number of 'Criminal Damage' incidents.

For precise details of recorded 'Crimes', please visit: <https://www.police.uk/gloucestershire>

**Crime:**

Over the past two years, there has been no statistically significant change in the number or type of crime incidents reported for Temple Guiting.

**NB.** Please be aware that during April 2017, Central Government changed the way burglaries are to be categorised; consequently direct comparisons with last year are problematic.

**ASB:**

Over the past two years, there has been no statistically significant change in the number of such incidents reported for Temple Guiting.

**Road Traffic:**

The rise in this type of incident is primarily due to "Highway disruption" and "Road related offence" incidents. The year on year rate of RTC's has remained fairly constant at 0.02 per day for each 12 month period.

Nevertheless, your Neighbourhood Policing Team in the North Cotswolds continues to take the concerns of the community, together with those of every victim seriously, and endeavours to provide the best service possible; however this must be within the resourcing constraints under which they have to operate.

***We will not be able to attend every meeting we are invited to and on some occasions may have to cancel meetings providing little or no notice due to the nature of Emergency service demands. We will however always provide a Police Report which is designed to provide clear and simple information which can be shared with all those present at the meeting. If questions are raised by those present please note the email addresses of both Beat Managers and PCSOs covering your area. We will be happy to address any concerns you have or that are raised during the meeting. We will endeavour to attend as many meetings as we can but the new format of police Report combined with an up to date list of contact details will be provided for occasions we are not present.***
