**Councillors present:** Rex Bovill, Val Brown, Jayne Ewart-Perks, Stephen Gower, Michael Krier (Chairman), Val Littlewood

**Public:** One member of the public attended.

1. **Apologies for absence:** Kate Mather offered apologies in advance.
2. **Declarations of interest in items on the Agenda (Localism Act 2011):** None
3. **Points from the floor:** Speedwatch coordinator, Rob Graves, asked to speak at item 7.
4. **Approval of the previous meeting's minutes:** Councillors approved the minutes of the meeting of 2<sup>nd</sup> February 2022 as a true record of the meeting. The Chairman agreed to sign the minutes. **Action: Clerk to add to website and noticeboards.**
5. **Chairman's announcements:** The Chairman covered a wide range of topics:
  - a) Councillors Krier and Littlewood met Praedium Properties (Guiting Grange estate) and the developer appointed for the New Barn Farm site. Plans have not yet been drawn up but the development is expected to be small and of high quality. VL raised the issue of affordable housing.
  - b) The chair outlined the steps of ash die-back disease, and that the tree only becomes dangerous when branches die off. This is, however, huge habitat value in leaving trunks standing as far as possible.
  - c) Temple Guiting Manor lake has now been completely restored and is an improvement to the area.
  - d) Trucks from Cotswold Hills quarry continue to deposit large amounts of quarry much on the B4077.
  - e) Traffic volume and speed measurement tubes have been seen on the B4077 but there was no information re: who was responsible.
  - f) Works to a property in the centre of the village had damaged the verge of the Village Green. **Action: Clerk to write to the developer asking them to repair the verges and the slabs by the noticeboard before they leave.**
  - g) The Chairman noted that GCC Councillor Mark MacKenzie-Charrington's newsletter referred to a 'Build back better' fund for post Covid improvements. **Action: Clerk to write to the councillor to find out whether the car park signage on the Winchcombe way in Temple Guiting qualifies for a grant.**
  - h) GCC has refused to install a 4<sup>th</sup> VAS post on the basis that it had not approved this and that the proposed location was dangerous. **Action: Clerk to circulate GCC's previous letter of agreement.**
  - i) GCC Highways had announced a 4<sup>th</sup> closure of Buckle Street and, once more, proposed to divert HGVs through Barton, Kineton and Temple Guiting. **Action:**

6. **Clerk's report.** Councillors noted the contents of the Clerks report, including the reconciliation which would be reviewed at agenda item 15 and the correspondence with Gloucestershire Police regarding speed monitoring in Ford.

### 7. Highways

- a) Rob Graves had relocated the VAS in Ford. Excessive speeds have been recorded in Ford. There was also a large peak of HGVs within a short period of time one morning. Otherwise, the usual speed pattern was repeated. **Action: Clerk to circulate the data to councillors.**
- b) VAS batteries are fading as they are 2 years old. Councillors approved the purchase of 4 new batteries. **Action: Rob Graves to purchase and TGPC to refund as expenses.**
- c) Hedges on the western side of the lane between Hyde Holt and the B4077 had become overgrown. **Action: Clerk to write to the owners asking them to trim the hedges.**
- d) Parking signage has been delivered minus a number of parts. A quote to erect the posts had been received. The first one will be on The Green. Councillors resolved to approve the quote. **Action: Clerk to write to suppliers to request missing items.**
- e) Verges in the village and locally are being severely eroded. **Action: Clerk to arrange meeting with Highways to view the problem areas and establish whether Highways can restore them.**
- f) PROWs. Although the 2026 deadline has now been withdrawn, councillors agreed to continue the process of registering the routes previously identified on the 'Definitive Map' held by GCC. **Action: Cllr Littlewood to continue liaison with GCC.**

### 8. Defibrillators

Cllr Littlewood notified councillors that the defibrillator in Temple Guiting needed new batteries. Councillors resolved to purchase the new batteries. **Action: Clerk to transfer funds as per the invoice.**

### 9. Platinum Jubilee celebrations

Cllr Littlewood informed the meeting that a church 'hymnathon' would be held on Saturday 11<sup>th</sup> June, alongside a flower festival. Proceeds would go to organ bellows repairs. TGPC had been asked if it could create a small flower arrangement for the flower show. **Action: Cllr Ewart-Perks will provide an arrangement for the festival.** Cllr Littlewood also informed the meeting that a jubilee lunch was being organised for 12 noon on June 5th, to which all parishioners would be invited. **Action: Clerk to include the invite in the parish newsletter.**

### 10. Litter picking

Cllr Krier announced the annual 'Keep Britain Tidy' litter picking event. Councillors noted that litter had increased but that regular litter picking was probably more effective than a one-off event. **Action: Clerk to include thanks to parishioners who litter pick regularly and to encourage more participation.**

GCC Cllr Mark MacKenzie-Charrington and CDC Cllr Richard Keeling also attended, along with representatives from Stanway PC and Toddington PC. The officers were concerned that the impact of the quarries had not been assessed. TGPC will write to CDC and TBC asking that they request a thorough Environmental Impact Assessment. **Action: Clerk to post notes from the meeting to the TGPC website.**
